

K-9,

Thank you for allowing me to represent the best unit in the State Police as your barracks representative. I offered to fill the void left by Sgt. McDevitt when he was promoted out of the unit earlier in 2021, and to say it has been an interesting year for us all would be an understatement. Since taking on this position I have tried my best to keep you all informed with every bit of information I receive, assist you with job related issues as they arise, and work with all of you to ensure OUR rights and interests as Troopers and Sergeants in the MSP K-9 unit are maintained and where possible improved upon. I believe I have succeeded in several key endeavors as your rep thus far, however there are many other issues that are currently being worked upon or need addressing. I hope to be the one to work with you and better this unit and contribute to the betterment of this department. Despite the current political climate in our country and the issues we are facing within this department, I hope to be able to continue in my role as your barracks rep. Stay safe.

Respectfully,

Tpr. Kenneth Hanchett #3966
