

C-6 Troopers and Sergeants,

I am running for re-election for the barracks rep position at C-6. During my first year serving as the barracks rep, I have learned a lot about the position and have assisted you all in any way I could. I would like to continue serving you as your representative. While I may not always have all the answers, I always try to find out in a timely manner. I would be honored to have your vote!

Fraternally,

Rich Couture
